

**Velva Public School
Return to Play Protocols
2020-2021**

Activity Schedules

Post season tournaments will follow the guidelines set forth by the NDHSAA <https://ndhsaa.com/>. All indoor events will be played in the high school gym to allow for maximum seating and live streaming.

Transportation/Road Trips

Participants and coaches who ride the bus will be required to wear a mask.

Facial Coverings

When visiting other schools wearing a facial covering may be a requirement of that school district. Coaches/advisors, participants and fans will be notified via the school website/school Facebook page when facial coverings are required.

Water Bottles and Game towels

Each athlete needs to provide a labeled water bottle and sweat towel that is not to be shared with other team members. Team managers will use hand sanitizer and/or wear gloves when handling these items. Drinking fountains are not available; however, filling stations are available.

Scorer's Table

Table workers will be required to wear a facial covering at all events. Hand sanitizer will be available at the scorer's table for workers, referees, and team personnel.

Ticketing

Ticket takers will be required to wear a mask if protective shield is not available and hand sanitizer will be available at the table.

Spectators for Velva Public School Events

Home events during the blue/green phase will be limited to 720 people for indoor events. If McHenry County shifts to a different color, occupancy will follow the state recommended guidelines. Yellow phase is restricted to 480 people.

Parents/guardians must accompany and supervise (sitting or standing with) their children who are not in junior high or older for the duration of the event.

Elementary and junior high events will follow the same occupancy guidelines.

Season Passes

Velva Public School will not sell season passes for the 2020-2021 season.

Game admission is \$6 for adults and \$3 for students.

Live Streaming

All athletic events and activities will be streamed via Huddle on the school website

<http://www.velva.k12.nd.us/>.

Disclaimer

Any and all Velva Public School Return to Play guidelines are subject to change per recommendations from the CDC, NDDoH, NDHSAA, First District Health Unit, VPS Board of Education, and the VPS Administration.
